If you are unsure, please contact us!**

Very honored customer

We are pleased about your purchase decision, you have acquired a good Hepco & Becker product!

Beside the well-known advantages of a centre stand (standing of the chassis, ease of service smaller space when parked etc ...), this product is characterized by its stability and by its ease of handling!

Putting the motorcycle up on our stand takes place with little energy expenditure and almost exclusively via the employment of ones own body weight!

When assembling your centre stand, please read and carefully consider the following instructions. **Please check the illustration to understand each part and its location!**

We also recommend that when fitting the spring set, one person stabilizes the motorcycle, whilst the other fits.

Montageanleitung = Assembly instruction

Befestigung des Hauptständers = Attachment of the front column:

Drücken Sie die Anschlaggummis in die vorgesehenen Laschen an Ihrem Hauptständer. Platzieren Sie den Hauptständer zwischen den am Rahmen befindlichen Aufnahmebuchsen. Schieben Sie die gefettete Achse durch die Lagerungen und sichern Sie diese anhand der U-Scheibe und des Splints .

Press the stop rubbers (6) into the intended locations of your center-stand (1).
Place the center-stand between the supporting bushings present on the framework.
Push the greased axle (2) through the bushings & centre stand and secure it using the washer (4) and the split pin (5)..

Befestigung der Feder:

Hängen Sie den Federsatz an der Federöse am Rahmen ein, und spannen Sie diesen mittels großem Schraubenzieher oder Feststellzange. Bitte kontrollieren Sie nun die Funktionalität Ihres Hauptständers. Wir wünschen Ihnen eine unfallfreie Saison und allzeit gute Fahrt bitte wenden!

Attachment of the Spring:

Hang up the eye of the spring (3) at the loop on the framework, then stretch the spring by means of large screwdriver or pliers onto the lower mounting pin of the centre stand.

Ensure all fasteners are correctly tightened, split pins locked open etc (if applicable) & then the check functionality & operation of your centre stand for smoothness.

We wish you a accident-free season and good traveling all the time!
