Rear Carrier (top case mount)

HONDA Hornet 900

***"Please read in conjunction with the
factory instructions & illustrations
supplied!"***

NB1:

**Please read in conjunction with the factory illustrations
supplied with the original (German) instructions!**

**NB2: If you feel that you do not have the necessary skills or
tools to fit this kit we recommend you consult your local dealer!
If you are unsure, please contact us!**

**NB3: When fitting any spacers always measure them and
ensure you are using the right one in the right location!**

**NB4: First assemble all components with bolts to finger tight to
ensure that parts are aligned before final tightening**

The kit covers the following parts:

- 1 rear carrier
- 2 taking off latches
- 4 flange head screws M 8 x 40
- 4 aluminum spacers 18 x 9 x 15 mm

Assembling instructions

The original pillion hand grip is dismantled, it is no longer required.
The rear turn signals remain in the original position (unless pannier
frames are being fitted at the same time).

Over the mounting holes of the pillion hand grip, the aluminum
distances are used as spacers. Over it the taking off latches are added
and over it the rear carrier with the mounting straps is placed.
Use the flange head screws M 8 x 40 for the attachment.

**Accessory installation is the responsibility of the customer.
Motorcycle Adventure Products and Hepco & Becker accept no
responsibility for matters arising from the use of these recommendations.**

If the rear carrier is being installed with the pannier frames, then the socket-head cap screws M 8 x 60 are used together with washers for the attachment (these are in the kit of the rear carrier)

Check all screw connections after the assembly for tightness!

Please consider our attached service information esp. pannier load carrying etc.

Additional accessories are also available for this motorcycle:

650.929 01 01 REAR CARRIER (TOP CASE MOUNT) black

501,126 0001 ENGINE GUARD black
