

**NEW**

Following the „Be different“ motto to the letter, we have created a new product that has never existed before with the new Orbit side case. A product that polarises! „Just“ a little case at first glance – a very clever companion down to the last detail at second glance - whether for a short weekend trip or everyday errands. The Orbit SC is consciously different from other side cases with regard to the look. The All-In-One lock concept combines a lid and retainer lock and therefore makes handling child’s play. The Orbit SC must be combined with the C-Bow holder. This ensures that the bike cuts a good figure without the case. **Obligatory at HEPACO&BECKER: 100% waterproof!**

**Orbit Sidecase**  
Item-no. 610293 00 01

**Accessories: Inner bag for Orbit Sidecase**

Item-no. 700521 black

**Orbit Sidecase** Capacity 22 Litres / Weight: 1,8 kg Dimensions WxHxD: 42x30x22cm Load: 3 kg each case

**Full of storage space**  
Plenty of room for shopping despite the small size...

**Waterproof**  
Through integrated seals in signal colours.

**All-in-one lock design**  
Combines a cover and stop latch for simple use. The integrated handle facilitates transport of the side case.

**For C-Bow bag holder**  
Necessary with the ORBIT side case. You can find the right holder for your model in the model-list or on the Internet at the „My Bike“ section on our website.
