

## STREET - Tank bag series, small to XL

Our Street tank bags expand your bike's transport capacity extremely fast: Thanks to the new Lock-It tank ring, they can be mounted and removed without a lot of fumbling. They let you bring along the travel accessories you need the most.

- 100% polyester (with water-resistant coating)
- Polyethylene foam (100% polyethylene)
- Reinforced side walls to maintain shape
- Stable bottom shell made of ethylene vinyl acetate (EVA) coated with Lycrastretch

The attachment is on Lock it Tankring (Fidlock patented) in connection with the STREET tank bags. The matching ring for your model, please refer to the modellist or on the Internet.
